

Landsted til salg i Yecla, Murcia

85.000€

Building plot of land in Yecla, it has a main road frontage onto the A26 about 1km from its first junction from Yecla with the A33 This plot is just over 55,000m², agricultural water is available but not connected and mains electricity is a few meters away which will need to be connected Solar Panels would be ideal for this plot for those who want to be off-grid and energy-efficient This plot and size of the land are ideal if someone wanted their stables, etc, and it is surrounded by many tracks ideal for hacking
