

2 soveværelse Lejlighed til salg i El Tosalet (Alfaz del Pi), Alicante

176.000€

If your wish list includes living facing the Mediterranean and enjoying the sun all year round, you are closer to fulfilling them. This promotion of new construction homes in Alfaz del Pi is a tribute to the sea, nature and Mediterranean life. You can choose between 117 homes of several different types, with 2 or 3 bedrooms, all facing south and designed so that the light bathes the rooms. The terraces with sea views are perfect to disconnect, and they are from 17m²! Or maybe you prefer one of the houses with a private solarium. In addition, the urbanization has garages and storage rooms and more than 300 m² of common areas with a playground, walking areas, gazebo and two swimming pools, one of them with direct views of the sea. Alfaz del Pi is one of the best known towns on the Costa Blanca due to its proximity to blue water beaches, such as those of Altea and El Albir, and natural places such as the Serra Gelada Natural Park and the Puig Campana peak. The center is 1.5 km from the homes and you can easily access all the services you need. And cyclists are in luck, because this area is a paradise for road cycling, with spectacular landscapes and routes for all levels. If you are more into golf, you have a choice: the Don Cayo, Villaitana and Puig Campana Golf courses are just a few minutes away. - The price advertised is the starting price of this new build project. Prices of properties in this project will depend on for instance size, bedrooms and level. Ask for current availability. -
