

2 soveværelse Byhus til salg i Torrox, Málaga

99.000€

This charming townhouse is located in the heart of Torrox, one of the most picturesque and traditional villages on the Costa del Sol. Its excellent location allows you to enjoy the authentic essence of the village, while being only a 1 minute walk from supermarkets and free parking, adding great convenience and accessibility. The beautiful beaches of Torrox are only a 10 minute drive away.

Distributed over two floors, the property has 56 m² constructed area. Currently the house has two cosy bedrooms, a complete bathroom and a kitchen next to the living room. The main feature of this house is its location in one of the most traditional and sought after streets of the old town of Torrox. The street is completely flat and allows direct access by car to the door, facilitating the access to the property.

Only a 5 minute walk from the main square, the property is perfectly situated to enjoy life in the village. It also offers the possibility of building a roof terrace, which would allow one to take advantage of the wonderful climate of the region and enjoy exceptional views of the village and the mountains.

This house is an ideal option for those looking for an economical property for personal use or as a rental investment. It is certainly a place that combines the charm of the village with the comfort of modern living.
