

3 soveværelse Lejlighed til salg i Torremolinos, Málaga

420.000€

This amazing residential resort of luxury apartments rises above the Mediterranean Sea to offer unbeatable views of the entire city of Torremolinos, Malaga and the long white sandy beaches of Bajondillo.

It is the ideal place to materialize avant-garde and sustainable architecture capable of integrating into its environment without giving up a recognizable and attractive identity. The large terraces and large windows mark the design of the buildings, favoring the enjoyment of the homes and creating a unique and modern image. The apartments rise above Torremolinos, taking care of their orientation to receive the maximum amount of natural light and enjoy unbeatable views over the horizon and the city skyline.

The extraordinary location of the project and its careful landscaping is complemented by complete common areas, among which its large swimming pool with solarium stands out.

Located in a development with unique views of the city and the coast. A project of great aesthetic and technical quality in an unbeatable location, with all services and direct access to the main road networks.
