

Landsted til salg i Sant Josep de Sa Talaia, Ibiza

1.500.000€

Unique opportunity to build the house of your dreams in a privileged location. This 43,000 m² plot, located in the exclusive area of San Agustín, stands out for its impressive views of the bay and its natural surroundings, ideal for those seeking tranquility and connection with nature. The property has a 15-ton water tank and a 57 m² legal warehouse, perfectly integrated into the land. In addition, it has the possibility of building a house of up to 360 m², providing the necessary space to design a custom home that makes the most of the views and the surroundings. The proximity to a power transformer, located just 100 meters away, facilitates the necessary connections to provide energy to the construction, guaranteeing comfort and functionality in the building process. Surrounded by nature, this plot is perfect for both a permanent residence and a second home. The privacy it offers and the possibility of designing a house with large windows and spacious terraces to enjoy the views make this property an ideal investment. Located in one of the most desirable areas of Ibiza, this property combines strategic location, construction possibilities and an incomparable natural environment. We have many more houses, apartments, villas, farms, commercial premises and land for rent and sale on the island. Thank you for considering us as your real estate agency in Ibiza.
