

3 soveværelse Byhus til salg i Riviera del Sol, Málaga

980.000€

An exclusive project of 13 townhouses with an elegant Scandinavian design, these homes blend seamlessly with the surrounding nature. The spacious and bright areas have been carefully designed in every detail to maximize the quality of life for their residents, offering spectacular panoramic views. The architecture follows the gentle curves of the waves, referencing the name Aalto, which comes from Finland and means "wave."
