

3 soveværelse Villa til salg i Campo de Golf, Murcia

378.000€

Discover the charm of these residences, each boasting three bedrooms and two bathrooms, accompanied by the luxury of a private swimming pool and a solarium. Consider adding a basement, tailoring your dream home to perfection. The terrace features a pre-installed electric motor for seamless vehicle access, while the plot offers the convenience of pre-installed electric car charging. Enclosed by a stylish split villa exterior fence and adorned with a design grille, these homes embody Mediterranean elegance. The solarium beckons relaxation with a pre-installed jacuzzi, complemented by an exterior shower and water tap. The architecture maximizes natural light, showcasing terracotta or wooden floors, exposed beams in the ceilings, and double-height windows. Tiles and mosaics add distinctive touches to the decor, creating a fusion of fantasy and reality in a joyful ambiance. Embrace the vibrant colors and inviting warmth, making your home a retreat that encapsulates the essence of a perpetual holiday. Basement optional *Prices from 378.000~
