

Erhvervsejendom til salg i Marbella, Málaga  
423.000€

This residential complex in Málaga is composed of 89 homes, designed to provide a peaceful environment while offering all modern conveniences.

Main Features:

Each aspect of these homes has been meticulously crafted to ensure comfort and quality, both inside and outside your residence. The efficient materials and careful finishes stand out in every detail.

Interior of the Homes:

The kitchen is designed to connect seamlessly with the living area, featuring ample cabinetry in white finishes with handles, Levantina countertops, and integrated appliances. The flooring throughout the home is a light wood-effect porcelain ceramic, creating a warm and inviting atmosphere.

Bathrooms are equipped with wall-mounted sinks and toilets, and either a full-length resin shower or a porcelain bathtub, depending on the layout, complemented by large-format tiling.

Fitted wardrobes with white lacquered doors and beige textile finished interiors ensure ample storage. The false
