Casa Primo is down in the lower part of town, which is a great spot – stunning views and tons of natural light flood the place. Lanjarón itself is such a lovely town, famous for its springs and surrounded by gorgeous mountains – perfect for exploring the Alpujarras.

Casa Primo is a bit of a blank canvas, ready for you to make it your own. The kitchen and living area are open plan and really bright – a lovely space to hang out. There are two good-sized bedrooms, plus an extra room that you walk through – think study, guest room, or just extra storage. And the roof terrace? Covered, with amazing views. Imagine chilling up there! It's a great opportunity to create a fantastic family home or holiday getaway.
