197.500€

This very nice, elevated garden apartment is located inside of a gated community with beautiful pool.

The property has a lounge diner with a feature fireplace, and an American style Kitchen. Patio doors open to a terrace with steps leading to the garden with a BBQ. The views from the garden and terrace are stunning!

There are two double bedrooms with built in wardrobes, the master bedroom benefits from an en-suite shower room. There is also a family bathroom.

The many bars and restaurants on the La Finca Golf commercial centre are just a stroll away from the property. There is also a very handy supermarket with bakery close by.

This is a must see property and we highly recommend a viewing to fully appreciate apartment and its location.
