391.995€

NEW BUILD VILLAS IN SAN JUAN DE LOS TERREROS

The contemporary and innovative architecture of modern villas arrives to create a residential complex located in the town of San Juan de los Terreros in Pulpí, Almería, in southern Spain
These carefully crafted homes and residential complex combine an exceptional level of design and quality with the highest standards of sustainability and well-being Homes meticulously designed by the technical team of architects, so that light, spaciousness, and orientation endow each home and plot with a special character Unique spaces that open the door to a new lifestyle to enjoy

The foundation and structure of the houses are resolved with reinforced concrete and under ten-year warranty coverage
Façades designed to reduce the energy demand of the house, combined with various materials to achieve an aesthetic consistent in terms of composition and colour as reflected in the infographics
Spacious terraces equipped with solid parapets to provide safety on the terrace railings, granting amplitude and luminosity
The exterior enclosures of the plot will be treated with the same materials used in the house, ensuring integration into the residential complex
Ventilated and insulated flat roofs on slabs, with different finishes according to their location and use
The entrance door to the house will be armoured The doors to the master bedroom, secondary bathrooms, and toilets will include locks
The exterior carpentry will consist of windows and French windows made of lacquered Aluminium
