

1 soveværelse Landsted til salg i Cervera del Maestre, Castellón

85.000€

A rustic plot of 16,903 m² with a single-family home located in the historic municipality of Cervera del Maestre.

The property has paved access and is connected to the municipal water supply.

This is a tranquil rustic property, with carob trees and land to grow vegetables etc. It's location is close to the village of Cervera del Maestre.

On the property, a single-family home is under construction. The kitchen-dining area is finished, and the bedroom area with a bathroom and laundry room is still in progress.

Cervera is a 20 minute drive to the coast and 40 minutes to the nearest airport in Castellon.
