

Lejlighed til salg i Benidorm, Alicante

183.000€

Recently refurbished, this beautiful studio offers comfort and functionality at the same time, adapted for people with reduced mobility. Located on the 15th floor where you can enjoy wonderful sea and mountain views, in one of the quietest areas of Benidorm and at the same time close to the centre and the beaches of Poniente and Levante. It is located in a closed urbanisation with porter service, it has a large swimming pool surrounded by a well-kept garden and the communal parking with easy access to forget about parking problems. The studio has a double bed with window to the outside, in the living room a small table with its design chairs, a sofa bed to receive some guests, a fully equipped open kitchen, a beautiful sunny terrace all year round that offers the loft so much luminosity, a complete bathroom with shower and screen. Ideal for those looking for something new, unique and exclusive, with a spectacular design.
