

8 soveværelse Villa til salg i Crevillente, Alicante

680.000€

Stunning Mansion with Private Swimming Pool, Sports Court and Barbecue Area. Stunning Mansion for Sale in Crevillente: Space, Luxury, and Privacy in an Exclusive Location Presenting this spectacular property in Crevillente—a true paradise that blends luxury, comfort, and functionality on a sprawling 17,800-square-meter plot, with 8,000 m² securely fenced for maximum privacy. With 600 m² of living space spread over two floors, this impressive residence features spacious, light-filled areas and a modern, elegant design that perfectly complements the natural surroundings.

- Bedrooms and Suites: The mansion boasts 8 well-appointed bedrooms designed for ultimate comfort. The primary bedrooms come with en-suite bathrooms and walk-in closets, offering private, restful spaces with exquisite attention to detail. The property includes a total of 7 full bathrooms, ensuring functionality and style for both residents and guests.

- Common Areas and Entertainment Spaces: The mansion features two large living room-kitchens, each with a fireplace, creating warm and inviting family areas. Additionally, it has two extra lounges and two galleries that connect these spaces, offering perfect spots for relaxation and entertainment.

- Spectacular Outdoor Areas and Leisure Facilities: The property shines with an extensive outdoor area that includes a private swimming pool with a BBQ area, a multi-sport court for football and basketball, and a private children's playground. This outdoor space allows for a variety of activities for all ages and is ideal for hosting social gatherings.

- Modern Amenities and Security: Every detail in this home has been meticulously designed for comfort, featuring air conditioning, central heating, built-in wardrobes, and electric blinds in the main bedrooms and terraces. The property is equipped with an advanced security system, including alarms and cameras, ensuring peace of mind at all times.

- Parking and Sustainable Energy: The mansion includes two garages, each with room for three vehicles, providing a total of six parking spaces. Energy efficiency and sustainability are enhanced by a 14-panel solar energy system along with a connection to the main grid. Additionally, the property has potable water and an irrigation system with a water reservoir to maintain the landscape year-round.

- Independent Layout: A unique feature of this property is its dual entrances, as it was originally two separate residences now combined into a single, grand mansion. This feature allows
