

4 soveværelse Villa til salg i Estepona, Málaga

2.793.000€

Two unique villas of two heights, with 4 or 5 bedrooms, totally independent, with private pool and private garage built on the edge of the beach. The villas form part of a truly spectacular frontline beach development with futuristic contemporary design, all built with the best materials and finishes creating a luxury high-end development. A project conceived from the excellent qualities of the place where it is located, and designed for people who will live in it. Residents will be able to enjoy stunning landscaping, three infinity swimming pools, a spa with gym area, paddle tennis courts and direct beach access whilst securely in a 24h gated community. The lovely town of Estepona is within a 5 minute drive away and here you will find an array of amenities along with healthcare and schools.
