350.000€

The Perfect Country House. # Situated in El Plano just three minutes drive from Sax this really is the perfect country house. The plot is 10,272m² and the house is 190m². There are 4 Bedrooms and 2 Bathrooms. Let's start with the remote control security gates that lead to a circular driveway with a small ornamental garden in the middle. Security cameras are placed around the house and everywhere is illuminated. The views of Sax Castle and the mountains are breathtaking as you would expect from such a location. There is an olive grove and other fruit trees including peach, nectarine, oranges, apricot and almonds. To the rear is a carport for four cars, a quite wonderful barbecue area with sun canopy and a large stone table for alfresco eating in the grounds. All the garden and land has timed irrigation. The 10 x 5 Pool is next to one side of the house and has a lovely terrace area and a pool house with changing room style area and a toilet. The views from the terrace are like everywhere else, simply stunning. Inside the house there is a modern fitted kitchen with a washing and drying room, a massive lounge/diner with views of the pool area and mountains behind. The hallway leads to each of the four double bedrooms and the bathroom. The furniture is of the quality you would expect and all the blinds are push button controlled. Internet is 12Mb. It has to be seen to do justice to it.
