Wonderful 3 bedroom villa for sale situated in a cul de sac on a nice urbanisation in Orba

The villa is accessed by nice small driveway up to the garage. The house is surrounded by several terraces each providing shade, sun and different views all over the day. Outside there's a 8 x 4 meters infinity swimming pool with wonderful views over the valley. It also has views to the town of Orba and its mountains. It is very close to the shops and restaurants (10 minutes on foot) and just 20 minutes from Denia and his wonderfull beaches.

This villa is a really must see, it can be suitable as a permanent living or as a rental property. Actually the villa has a nice rental potential
