We are delighted to bring to the market this beautifully presented and totally reformed ground floor apartment with private garden. It enjoys panoramic views of the 18 hole Jack Niklaus designed golf course, communal gardens and one of the five lakes.

It is situated in one of the best maintained buildings on the Resort with resin carpet floors in all communal areas and LED lighting in all communal areas and garage.

There is high quality laminate and tiled flooring throughout the apartment. All internal doors have been changed to a modern, sleek white design, with white doorframes.

All walls and ceilings throughout the property have been smooth plastered and it has recently been painted and has wallpaper to several feature walls.

To the right is the lounge, which has been tastefully decorated and has a media wall, housing a built-in electric fire and new 55" SMART TV and sound bar with sub-woofer giving a cinema type experience. There is a modern remote controlled ceiling fan with light. There are full height and extra wide bi-fold doors leading out to the terrace.

The terrace has two remote controlled ceilings fans with lights and has been enclosed with glass curtains which can be opened fully for the warmer months and closed for the cooler winter months. This space is currently arranged as a dining area.
