

3 soveværelse Villa til salg i San Jose de la Vega, Murcia

199.900€

Downstairs this property offers one bedroom, the main bathroom with bath, a spacious living room, independent dining area, and an independent kitchen with direct access to the terrace.

Upstairs you will find two bedrooms, each one with individual access to the spacious upper terrace, and also a bathroom with walk-in shower.

The house is built on a 1200 square metre plot where you will find a variety of fruit trees, and also its own well.

The pool area has been prepared and is ready for the new owners to finish it off in whatever style they choose.

The house has breathtaking mountain views from each window, has been completely repainted both inside and out and also has a new front door and new doors to the terrace.

If you are looking for a peaceful home close enough to daily amenities but far away from the hustle and bustle, this is a fantastic opportunity just waiting to be snapped up! Contact us today to book your viewing and start living your dream in the sun!
