89.900€

We are very pleased to present this country property just 6 minutes from Pinoso. The property is located in a very quiet small village with good access. It has three bedrooms, 1 bathroom, living room with fireplace and a large patio of about 300 m². The entire property is on the ground floor and is connected to a large outdoor patio of about 300 m². In front there is a large rustic plot of olive trees of about 2,000 m² with a small garage. It has water and electricity connection. The property needs a beautiful restoration preserving the essence and history of this wonderful property.
