Large villa with sea views

Within walking distance of Mojácar's beach Playa Blanca you will find this beautiful large villa. With two large terraces with sea views you can enjoy the Spanish sun to the max. This lovely home consists of a ground floor with living room, kitchen, two bedrooms, two bathrooms, distributor, staircase and terrace with a built area of 149m². Upstairs you will find five bedrooms, four bathrooms and another terrace with a built area of 111m². In the basement, you will find a completely open plan solution for a garage, with a built-in area of 87m². Here you will find a well-kept home with stunning sea views from the beautiful terraces and a garden large enough to build your own private pool. With only high quality materials, this is a top-class house. With white marble floors throughout the house, this is a unique home that must only be seen personally. It has previously been used by a company because of its large size, but it also fits perfectly as a home. Here you are close to everything you could possibly need, food stores, the beach, tapas bars, banks, etc.
