

2 Schlafzimmer Appartement zu verkaufen in Estepona, Málaga

350.000€

This residential development is spread across three distinct residential zones, featuring a modern design that harmoniously integrates with the surrounding environment. Situated in a well-established area of Estepona, it is conveniently located just a few minutes away from the beach, city center, and Estepona's marina. Taking full advantage of its south-southeast orientation, this apartment maximizes natural light, while its elevated position provides breathtaking panoramic views. R4336042
