

2 Schlafzimmer Landhaus zu verkaufen in Sedella, Málaga

110.000€

This represents one of our country properties in Spain, situated roughly 20 minutes by car from Sedella, nestled in a quiet setting ideal for immersing oneself in nature.

The property is set across a generous plot spanning approximately 10,000 square meters, comprising a main house featuring a combined living room and kitchen area, along with two bedrooms.

Additionally, the property offers a storage room with an adjoining bathroom, alongside a secondary structure previously utilized for agricultural purposes.

Benefitting from access to both the municipal water supply and electricity, this property presents an intriguing renovation opportunity, promising the creation of a delightful property with breathtaking mountain views and offering an oasis of tranquility!
