Welcome to the charming small hamlet just a 10-minute drive away from Monovar, where this hidden gem of a country house is waiting to be brought back to life. Though it needs some juggling to make the distribution work, this property has immense potential for anyone who's looking to create their dream country home. With two cozy bedrooms downstairs, a lounge, and a big hallway area, this home is just waiting for someone to come in and open it up. While the current location of the bathroom may be unconventional, the outdoor setting is nothing short of enchanting. The upstairs area boasts two large bedrooms, but with ample space for a third bedroom and bathroom, the sky's the limit when it comes to creating your perfect layout. Just a few meters away from the house, there's an impressive plot of land spanning almost 2,000m². Here you'll find an old water deposit which has been used as a swimming pool, but it's ready and waiting for your modern touch to bring it back to life. Additionally, there's a covered BBQ area perfect for entertaining family and friends, while mature trees offer plenty of shade for those hot summer days. The land is planted with almonds, providing a unique opportunity for anyone looking to start their own small orchard. And best of all, this country house is a real bargain! With builders on hand to help with any reforming work you may need, you can rest easy knowing that you're in good hands. If you're looking for even more space, the property next door is also available, offering a perfect opportunity for two families or a rental opportunity - see ref 50030.
