Discover the luxury real estate opportunities in Marbella. This modern villa is currently under construction and will feature a spacious interior with large windows overlooking the pool and surrounding landscape. The exterior is minimalist with white walls and a large infinity pool. The property is located in a prime location in Marbella, offering stunning views of the Mediterranean Sea and the surrounding mountains. The villa will be completed in approximately 4 months and will be perfect for those looking for a high-end, modern home in one of the most desirable areas of Spain.
