

4 sovrum Lantställe till salu i Iznajar, Córdoba

200.000€

This very rural Cortijo sits within Olive land consisting of around 50,000m² whilst just a short 5 minute drive from the beautiful inland lake of Iznajar, in the Cordoba province of Andalucia, Spain. The property is accessed on a track which leads to a garage and directly down to the Cortijo. The property has lots of potential with spectacular views from every angle as well as mains electric. The property has a full bathroom and the possibility of four or more bedrooms with a good size living room in the heart of the house which has a central open fireplace. This property is full of character and could make a spectacular rural retreat for someone looking for life off the beaten track.
