Here comes a real gem among the flats! An absolute dream! In the first row in Sea Senses, Punta Prima, a fantastic flat is for sale - a real gem! The flat is located in a gated luxury residential complex on the beach and has several swimming pools, including a heated pool, a fitness room, a sauna, a children's playground and a chill-out area - simply perfect for a relaxing holiday! The gorgeous, furnished flat is a dream come true and offers everything your heart desires for a comfortable and unforgettable stay. Look forward to two fantastic bedrooms, two bathrooms, a cosy living room with sofa, a fully equipped kitchen and a huge terrace with breathtaking sea views! Absolutely brilliant: an underground parking space is of course also included! The Sea Senses residential complex offers you a breathtaking infinity pool, a heated pool with whirlpool, exciting water slides and relaxing hydromassage beds - an absolute dream! But that's not all, because there's so much more! A café, two bars, sports facilities such as a paddle court, a basketball court, a gym with sea views, a spa with Turkish and Finnish saunas, a children's playground, table tennis and Wi-Fi - all this and much more awaits you! The surrounding area offers you a multitude of possibilities - and the best thing about it: you can discover them all! And the best thing about it: restaurants, shopping centres, a bus stop, a supermarket and bank branches - everything is close by! And entertainment is also provided! Just 10 minutes away by car you will find first-class golf courses, a sensational water park, a breathtaking marina and many impressive sandy beaches on the beautiful Costa Blanca.
