

Grundstück zu verkaufen in Salinas, Alicante
34.995€

15,000m2 of building land in Salinas with water - electric close. We are proud to offer this lovely plot of land with great views, and only a short walk to the village of Salinas. | | | With water on site, and electricity very close (waiting on quotes for installation), this is an ideal investment for your new home. | | | In Salinas, you can build up to 2% of the land size, per floor (up to 2 floors), so this would be large enough for a 620m2 property. | |
