In fact, the pool is less than a minutes walk. The villa comprises: 3 double bedrooms, master with en-suit bathroom. All bedrooms have built in double wardrobes. In this area there is also a family shower room. Living room with dining area, modern fully fitted kitchen, huge garage and a stunning summer room on the roof top solarium. As you enter the house you are met with the well-proportioned living room. This room has an open fire, dining area and stairs leading to the very large garage/underbuild. This area could easily be converted into further living accommodation if desired. On from the living room is a small hallway leading to the 3 double bedrooms and family shower room. Back into the living room to the other door which takes us to the kitchen. The perfect area to watch the sunset and enjoy a bottle of local wine. The villa has 2 gardens, one at the front and one at the rear. The front garden is amply big enough to install a swimming pool if desired but the communal pool is only a short distance from the villa. To one side of the front garden is a very long driveway, big enough for multiple cars. This leads to the very large garage/underbuild. This villa is simply stunning and would make the perfect permanent home as well as a lock up leave holiday home. Viewing is highly recommended Castalla. Located on the outskirts of the urbanisation is the beautiful town of Castalla and only 30 minutes from Alicante airport & beaches. Castalla is a typical Spanish town and is steeped in history. There are many cobbles streets to explore that will lead you to the castle ruins. Castalla offers many facilities including restaurants, bars, banks, medical centre, local shops, and supermarkets.
