

6 bedroom Country House for sale in Antequera, Málaga

495,000€

Beautiful cortijo with authentic elements, pool and breathtaking views. This typical Spanish house was rebuilt about 20 years ago according to the existing structure. This makes this property unique and with a series of rooms connected by a patio, stairs, or a terrace. This property has already proven in the past that it is a perfect property to operate as a B&B or income property. On the one hand, there is the main house with living room, kitchen, bathroom and two bedrooms. On the other hand, there is a separate large living room with kitchen, ideal for cooking for guests. Within the same building there are two large en-suite bedrooms. Separate from the house, located on a patio, there are two separate units, each with a spacious bedroom and private bathroom. The large kitchen is followed by a gable-wide patio from which you can enjoy both expansive views and the final evening sun. Lovely to chill out here in the summer months. Shaded by the olive trees is the private pool with sun terrace. If you have family, friends, or guests, here they can enjoy the sun, the beautiful view and a refreshing dip in the pool in peace.

The rooms have hot and cold air-conditioning. There is mains water and a well. If you like horses, there is the space and presence of a fenced pasture and shelter shed. This property is located 9 km from the village and 40 km to the coast. An ideal base to enjoy both the mountains and yet close to the sea.
