NEW HOMES IN MALAGA

In a growing city with great national and international interest, an emblematic project rises, visible from all over the city.

The surroundings are perfectly connected with public transportation and highways, ensuring that everything you need is close to you.

If you love urban life but don't want to be far from nature, from one of the homes in Tower II, you can enjoy views of the city and the sea thanks to the building's significant height.

Additionally, the variety of common areas and the rooftop pool will allow you to make the most of leisure time with all the amenities without leaving your home. The project comprises homes with 1 to 3 bedrooms, with two shared basement floors for parking and common areas on the ground floor to meet all your needs.

Each of the apartments for sale in Malaga at AQ Urban Sky follows a careful aesthetic where urban, exclusive, and functional design takes center stage.

If you can't stop thinking about living in one of the tallest buildings in Andalusia with the best views, contact us to discover the variety of housing typologies, get more information, and delve deeper into the residential complex tailored to you.
