

3 Cuarto Villa en venta en Los Alcazares, Murcia

85.000€

The front patio welcomes you with the perfect space to enjoy the outdoors. You can add some flower pots, a small table with chairs to have breakfast in the sun, or even a little barbecue for summer evenings.

Stepping inside, you're greeted by a spacious and bright home. On the ground floor, there is a living-dining room, perfect for relaxing on the sofa or sharing meals with family and friends. The kitchen is separate and fully equipped.

Also on this floor is a bedroom with its own en-suite bathroom. Ideal for guests, to use as an office, or even as a main bedroom if you prefer the convenience of having everything on one floor. From this room, you have access to a small back patio — a peaceful retreat where you can hang your laundry, sunbathe, or simply enjoy a moment of tranquility.

On the second floor, there are two double bedrooms, each with its own built-in wardrobes, and a bathroom.

Los Alcázares has a large selection of shops, restaurants and cafes, as well as the stunning Mar Menor beaches. For those interested in golf, there is a large selection of well-maintained golf courses on the Costa Calida and Costa Blanca. The larger cities of Cartagena and Murcia are easily accessible by car.
