782.407€

The most significant new community development in Estepona, Malaga, a master plan like no other here on the Costa del Sol.

Protected by a mountainous region, in particular the Sierra Bermeja mountain range, and bathed by the Mediterranean breeze, is a private resort that features a superior concept of security and comfort. Here, in the Costa del Sol, is where exclusivity lives, with a superior quality of life.

The elegant and organic architecture joins nature thanks to the irregular architecture of the common areas, which have a system that collects rainwater and reuses it for irrigation. Its lush vegetation between the sea and the mountains turn the urbanization into a true oasis of homes, flowers and palm trees, unique in the area.

With direct access from all the main European cities, Costa del Sol is known as one of the most charming tourist destinations in Europe. The typical villages, beaches, cuisine, culture and Mediterranean climate with its pleasant all year round average temperatures of 20°C and
