

2 Cuarto Villa en venta en Algorfa, Alicante

198.000€

Description: Ground floor villa with solarium on the upper floor with access by an external staircase that starts from the garden. The house has a porch at the entrance through which you access the living room with fireplace, three bedrooms with built-in wardrobes, kitchen with utility room and full bathroom. From the garden you access, through a small aluminum door, a room (basement) of about 18 square meters that does not appear in the property's registry documentation. The urbanization has a community pool and common areas. • Surfaces: 216 m² plot, 84 m² built and 73 m² usable plus 18 m² basement.
