

## Casa de Campo en venta en Pinoso, Alicante

76.995€

4 bedroom cave house with patio and outbuildings in a quiet area of Pinoso Located in the oldest part of the thriving and increasingly popular town of Pinoso, this lovely cave house offering loads of potential to make it your own with some decorating, is nestled away in a quiet and peaceful area.

The approach to the property is a gated entrance opening into an oasis of mature plants in a private courtyard. To the right of this there are a number of outbuildings which are ripe for conversion and have outstanding views across to the mountains in the distance.

The main door to the house leads into the lounge which has an open fireplace that provides warmth for the whole house if needed in colder weather although the owner tells us the temperature inside the cave house hardly varies. The fitted kitchen is off the lounge and offers ample workspace and storage, the shower room is also through from the lounge. The cave leads us down a hall and offers two double/twin bedrooms and two smaller cave rooms ideal as single bedrooms/office/dressing room.

The property will be a superb home or a great holiday rental investment with some minor improvements and is perfectly liveable during the process.
