

7 Cuarto Adosado en venta en Granada, Granada

430.000€

Unique Cave House with Adjacent Apartments and Potential for Restoration Discover a one-of-a-kind living experience in this meticulously renovated cave house and adjacent apartment complex, offering a perfect blend of modern comfort and traditional charm. Located on a sprawling 1.2-hectare fully fenced plot with 160 certified ecological almond trees, this property is a haven of tranquillity. Main Cave House Features:- 6 bedrooms, including the option to share one with the adjacent apartment.- Spacious living areas, including a dining-living room with an open fireplace and traditional bread oven.- Separate, fully furnished kitchen with gas hob and a good-sized pantry.- Ventilated bedrooms, each equipped with electrical sockets and TV points.- Two additional bathrooms and a storage space from the second living room area services the bedrooms.- Main door is insulated aluminium with wood effect, keeping in with the traditional look.- No internal doors, except on bathrooms and the bedroom to share with the apartment but wooden frames are in place if new owners wish to install doors. Adjacent Apartment: The fully furnished one-bed apartment on the left of main cave offers:- Separate entrance- Fully equipped kitchen with a breakfast table.- Full bathroom.- Dining-living room with open fireplace.- Double bedroom with an option for a second, connecting room to the main cave. Note: The apartment includes a spacious attic, awaiting your personal touch for renovation. Additional Restoration Opportunity: To the left of the main cave, a two-story building with the potential for two 2-bedroom apartments awaits restoration. The roofing throughout the complex is up-to-date with insulated sandwich panels, maintaining the traditional Andalusian roof tile effect. Outdoor Amenities:- 200m² built area with an additional large garage.- Chicken pen.- Tiled BBQ terrace with an outdoor kitchen and running cold/hot water.- 43-year-old pine tree with a purpose-trained branch for the swing - 8m by 12m swimming pool (needs finishing touches, but the hard work is done).- Second gate for farm machinery convenience. Infrastructure and Utilities:- Property accessible via tarmac road.- Mains electricity and water connections.- An 80m deep well for additional water supply. Surroundings: Embrace the rural beauty of the surroundings, complemented by the convenience of nearby amenities of Cuevas del Campo. The property is a testament to comfort, style, and the potential for further expansion. About the area: Lake Negratin
