

3 chambre Maison de Ville à vendre dans Alhaurin el Grande, Málaga

239.000€

Beautiful townhouse built over two floors plus garage and a roof terrace with utility room and barbecue.

On the ground floor we find a large hallway from which you access the living room with fireplace through beautiful wooden and glass sliding doors. The dining room is on the left with a large, beautiful kitchen with pantry. To the right is a bathroom with shower.

On the top floor there are 3 bedrooms, a dressing room and a large bathroom with a built-in wardrobe and a bathtub. From this floor, beautiful stairs with Andalusian mosaic clay tiles lead up to the roof terrace divided into two individual terraces. Here there is a utility room, but it would make an ideal summer kitchen, bathroom, second living room or a study room. On one of the terraces there is a barbecue area where you can enjoy the pleasant summer nights.

The property has a lot of light thanks to its fantastic orientation, and it benefits from a garage with space for one car, that can be connected to the house (as it was previously), good location and is a stone's throw away from all the local amenities.
