

3 chambre Maison de Ville à vendre dans Benalmadena, Málaga

757.000€

A prestigious, secluded residential project positioned in a coveted area of Benalmadena with elevated setting, allowing every residence to have awe-inspiring, sweeping views of the ocean and coastline. The gently sloping landscape allows for a cascading architectural design, featuring expansive terraces that are enhanced by transparent railings, seamlessly merging with the sea ahead. This design element enables residents to fully immerse themselves in the breathtaking scenery and appreciate the views to their fullest extent. Immerse yourself in the blissful ambiance of the landscaped garden. Take a refreshing dip in the sparkling pool, embracing the epitome of luxury and serenity. Stay fit and active at the cutting-edge gymnasium, where you can elevate your wellness journey to new heights. This semi-detached house has cozy and bright interiors with large terraces including a solarium, two private underground parking spaces and a storey room. Specially designed to enhance your everyday living experience and create unforgettable moments. R4334947
