VILLAS NEUVES A POLOP

The construction program of villas in Polop offers you a space where you can fully enjoy the Mediterranean lifestyle.

Choose between villas of 2 and 3 bedrooms in Polop designed to capture the essence of the Mediterranean and enjoy the environment in the outdoor spaces.

The key features of this project are its panoramic views that take your breath away on two unique sites: the bay of Altea with its deep blue sea and the majestic mountains of Alicante with their peaks and vegetation.

Let yourself be hypnotized by these incredible views from the terraces of these houses in Polop, which also have large spaces that invite you to enjoy the exceptional climate of the Costa Blanca and that you can personalize according to your preferences. Its dimensions are ideal for installing tables, chairs, long chairs or any other outdoor furniture that you want.

The project is thought and designed to enjoy the outdoors, not only with terraces, but also with gardens, porches and solariums in every house. In addition, most of the houses in Polop offer the possibility of adding a private pool (with or without overflow, depending on the characteristics of the terrain). Moreover, those who opt for a ground-floor house can choose to install a jacuzzi on the solarium.

The distribution of these villas is designed to bring comfort to everyday life, with fully open kitchens and...
