

7 chambre Auberge à vendre dans Castillejar, Granada

159.000€

Here is an amazing opportunity to buy a beautiful family home and a business together. This property has so many possibilities!! This is a large house that can be split into 3 apartments or 2 apartments and a living space or a large family home with a rental property it also comes with its own bar (which would make another business with the correct licenses) and a lovely private pool area. There is also a large area for renovation which would make another lovely rental apartment. All this is set in an idyllic position in the village of Castillejar Granada and within walking distance to the the center of the village. -----Full video tour available-----

The property consists of a large house that can be split into 2 apartments both with 2 bedrooms, living room kitchen and bathroom or a large family house.

There is a rental apartment ready to go with its own entrance with 3 bedrooms living room kitchen and bathroom. -----

A large space with its own entrance that could easily be made into another 3 bedroom apartment.

There is a fully functional bar with a decking area which can be accessed from inside the house or through a separate entrance. -----

The pool is an above ground pool fully enclosed with a lovely decking area which is accessed via some steps to the side of the garden.

The opportunities are endless with this property.
