

2 chambre Maison de Ville à vendre dans Competa, Málaga

76.000€

A traditional village house of around 75m² situated above the main plaza in the pretty white mountain village of Cómpeeta, and just a short walk to shops, bars and restaurants. The property comprises an entrance into the Living Room, off which is a double bedroom. Stairs from the living room lead into a kitchen area and from here you have access to both a utility room and behind that another room with a storage area, a toilet and sink, and plumbing for the washing machine. From here there is also an additional entrance out onto the street behind the property. Stairs from the kitchen lead up to the second spacious double bedroom which then leads into two further rooms and up to the roof terrace (16m²) from where there are views over the village. This property has great potential as a spacious family home and has a good location, but would require some updating and modernising.
