

Terrain à vendre dans Canillas de Aceituno, Málaga

58.000€

A very attractive urban plot situated in Canillas de Aceituno. If you are looking for a charming little corner where you can construct the house of your dreams this would be ideal.

The location of the property gives one beautiful views of the mountains and the Mediterranean on the horizon. There is also, if desired the possibility to acquire the adjoining plots so that you can really create a private oasis

It is a great opportunity, water and electricity are easy to connect. And the plot is perfectly situated to enjoy the countryside while living only a few metres from the village centre.

Without a doubt this property must be viewed.
