

Maison de Ville à vendre dans Competa, Málaga

525.000€

This structure is located in a very accessible location just a few minutes from the center of Cómputa, where you can find all the services this charming town offers.

A project to be completed, which has many possibilities and potential! The surface is distributed over 3 floors. The ground floor has independent access and was intended to be used as a garage, but it could be made into an independent apartment, part of the house, etc.

After this, we find the other two large floors. In the first we have another independent access to them and in the second an area thought to be the terrace. Which would benefit from stunning views of the Mediterranean Sea and south orientation.

Undoubtedly a great option to create the home of your dreams in Cómputa or a very interesting business opportunity.
