29.500€

Here we have on offer a great 3 bedroom townhouse in Alcalá la Real, Jaén. It has the bonus of a lovely raised terrace with views out across the town and to the countryside beyond.

You enter the property into a large tiled reception area, with stairs off to the left taking you up to the first floor. Double doors take you through to the lounge and on to the fitted kitchen. From the kitchen, there is access out to the family bathroom and on to the outside area. Here you will find a covered storage area, which could be converted to use as a summer kitchen, and steps up to the terrace with great views.

On the first floor you'll find 3 good-sized double bedrooms.

The property would benefit from some cosmetic updating and modernisation but could be lived in straight away. It would be perfect for both holidays and full-time living with all the amenities the town has to offer within walking distance.
