

2 chambre Appartement à vendre dans La Torre Golf Resort, Murcia

145.000€

This stunning upgraded apartment is in our opinion one of the best examples of an apartment on the resort. With plenty of upgrades to include secondary glazing with stunning golf course and pool views, a bar, WIFI controlled heating and an open planned kitchen to name a few. Details on upgrades are: Ceiling fans in both bedrooms & 2 in lounge area. Large new more energy efficient Air con unit in Lounge. New energy efficient boiler and thermostat. Improved layout to kitchen and lounge area (outside/in terrace area) with great views of the pool/golf course and mountains in the back drop which creates an amazing sunset view in the evenings. Built in Bar area. Built in GUPVC Bi Folds curtains that fully open to bring the outside in on those lovely warm days and evenings. The apartment is south west facing so enjoys the sun all afternoon. The Bi-folds have integrated blinds which will assist in deflecting the sun if you prefer a cooler living area. New floor tiles throughout the apartment. Kitchen redesigned and tiled, with new large fridge freezer, microwave, washing machine, induction hob and oven. Bathroom fully renewed and retiled. Both bedrooms have patio doors that open up fully leading to small balconies, ideal to sit and enjoy the sun rise over the mountain in the distance. The apartment is sold furnished apart from personal items. Parking space in the underground garage, with access to a large cupboard that is shared for storage. Lift and stairs to all levels. This apartment is enjoys, (In our opinion), the perfect location. Close to the town centre and walking distance to the supermarket and situated in a cul-de-sac so very peaceful.
