

2 chambre Appartement à vendre dans Las Colinas Golf, Alicante

359.000€

The Hinojo community is situated at the highest point of Las Colinas, offering panoramic views of the surrounding forest. • The apartments within the Hinojo Community are spacious and designed for outdoor living, striking a perfect balance between aesthetics and functionality. • Common areas in the Hinojo Community include beautifully landscaped gardens, a large swimming pool, and relaxing spaces surrounded by palm trees and natural greenery. The interior design of the Hinojo apartments is meticulously crafted, emphasizing materials, colors, and textures to create an optimal effect, with a special focus on natural light. • Indoor and outdoor living areas seamlessly blend together, creating harmonious and continuous spaces designed for comfort and well-being. • The apartment has a built-up area of approximately 76 m² and an uncovered terrace of 20 m². It also includes a garage and storage space in the basement of the building. • It features two bedrooms, two bathrooms (one en suite), and was constructed in 2022 by the prestigious developer SOMIUM. • The layout and large windows maximize integration with the surroundings, allowing residents to enjoy the Mediterranean climate and landscape. • This exclusive apartment stands out within the residential complex due to its avant-garde design and high-quality standards. • The property is delivered fully furnished and includes all high-end extras such as air conditioning, home automation, alarm system, underfloor heating in bathrooms, and electric blinds in bedrooms. Every element, from furniture to carpentry and flooring, has an exclusive design. • The spectacular communal area boasts an Asian-style swimming pool and wooden hammock relaxation zones. Additionally, there is an exterior elevator.
