

3 chambre Maison de Ville à vendre dans Vall de Gallinera, Alicante

159.950€

Charming 3 bedroom, 3 bathroom village house with large terrace and valley views. Fully reformed, beautifully presented and in a superb location for those wanting to escape stress...

For sale direct from the owners!

This charming home is set in the quiet village of La Carroja in the Gallinera Valley. If that sounds idyllic, it is! The valley follows the river of the same name and is home to a number of small villages and people who appreciate the peace and tranquillity of the glorious surroundings.

The house itself has been updated with care to retain much of the charm and character of a traditional Spanish home but with all the modern comforts needed for a year round resident. However, this could also be the perfect "lock and leave" holiday home with no gardens or land to maintain!

As with many Spanish village houses, the layout can, at first, seem confusing or difficult to work with but this lovely home has lots of scope for changes to suit all manner of uses in the future...

Layout of the property...

The property is located in a quiet position within the small village and is just across from the church.

Entering the property through lockable double iron gates into a porch where the owners have a log store, cold water tap and an electrical socket
