

## 2 chambre Appartement à vendre dans Hacienda Riquelme Golf, Murcia

94.950€

This first floor apartment is perfectly situated for those wanting a mix of observing the wildlife and the golfers as they make their way up one of the fairways of this Jack Niklaus designed golf course. On entering the apartment, the large kitchen is straight ahead and you will see it has plenty of area for preparation. The kitchen also has the ability to be altered should you so wish. The lounge looks out over the Resort and benefits from facing towards the mountains making it a peaceful place to sit and relax. As we follow the curved wall around to our left it leads us towards the bedrooms & bathrooms. Both bedrooms can be found at the end of the short hallway, separated from the living area by the bathroom. Situated at both of the bedrooms you will find a second terrace which is a great area to sit and have your breakfast. Two of the 19 on resort swimming pools are just a short stroll away. Contact ourselves for viewings either in person or virtually.
