This spacious 3 bedroom 2 bathroom detached villa sits on a huge plot in one of the best areas of Ciudad Quesada. The property has undergone a huge renovation project and is now ready for a new owner to add their personal touches. The kitchen, bathroom and even the floors have been replaced and upgraded to provide a new build feel with traditional features. There is also an extra room which used to be the garage, which can be developed to provide extra living space if required. There is off-road parking for 2 cars and a private roof top solarium with views to the salt lake. With a population of around thirteen thousand, Ciudad Quesada is situated in the Southeastern part of the Valencian region within the province of Alicante. The regional capital, Valencia, is approximately two and a half hours away by car, whilst Murcia city centre is somewhat closer and can be reached in about forty-five to fifty minutes.
