We are very pleased to present this stunning garden apartment located in a very sought after location. The garden is large enough for a private pool and there is a beautiful communal pool close to the apartment.

The property flows perfectly and offers an open plan lounge/dining room with fully fitted kitchen and integrated appliances. The quality furniture inside is all included in the sale so you only need to pack your bag and move in!

There are two double bedrooms with built in wardrobes and the master bedroom benefits from having an en-suite shower room.

There are two terraces and one is enclosed with retractable glass curtains. This is the perfect entertaining space during the summer or the colder months. One terrace is facing West and the East so you can be sure to have sun or shade at any time of the day.

This really is a luxury property in the perfect location. An ideal full time residence or lock and leave holiday home.
